North Texas Cares Coronavirus Relief Fund

Summary

ID: 0000000363

Application Form

Incomplete

As North Texans, we have overcome many difficult situations together over the years: natural disasters, man-made disasters, economic emergencies—but nothing quite like the health emergency we face today.

North Texas Cares is a funder collaborative made up of North Texas foundations that have come together to provide support for organizations that work with people and communities who may be most affected by COVID-19. This includes agencies who support individuals and families with access to food and/or healthcare; supplementing lost wages and/or housing costs or serving vulnerable populations such as seniors and/or homeless; as well as supporting academic learning and distance learning for low-income, low-access students while schools are closed.

Participating funders are working collaboratively to collect emergency funding requests, using a common online application, in order to simplify and streamline the process for nonprofits seeking emergency funds.

The North Texas Cares application will open on March 23, 2020 with no due date. Applications will be accepted

on a rolling basis and evaluated weekly. Decisions will be made throughout the crisis period to facilitate the urgent need for funding against evolving community need.

Grant ranges will vary by funder. Average grants will range from \$5,000 - \$40,000. However, larger amounts may be considered depending on the request and the amount of funding available. Approved requests may be funded from one or more participating foundations.

WHO IS ELIGIBLE TO APPLY?

In order to be eligible for funding, agencies must meet the following criteria:

- Must be 501c3 organization
- Must provide services in the North Texas area
- Must provide services that address immediate response or long-term relief efforts in response to COVID-19
- Requests need to focus on first responders and/or support for vulnerable populations– (examples could include seniors, children, homeless, low income displaced workers, first responders, medical professionals, and those without other resources).

As North Texans, we have a history of coming together to support one another because North Texas cares!

Some examples of Activities or Services that will be funded through this opportunity are listed below:

- Ensuring nutritious food access to high risk and vulnerable groups
- Ensuring safety for high risk and vulnerable groups
- Ensuring safe shelter and/or housing opportunities for persons experiencing homelessness or domestic violence (shelter or hotels)
- Addressing older adult healthcare and safety in order to lessen the impact of illness and cover costs related to medical treatment
- Providing mental health supports and telehealth access for community members, especially for first responders and others whose work is considered essential
- Providing medical and cleaning supplies to and staffing for community clinics supporting COVID-19 response
- Offering immediate, short-term financial assistance for those experiencing income disruption
- Providing support to displaced workers, including connecting displaced workers with jobs that are open for immediate hire
- Supporting academic learning and distance learning for low-income, low-access students while schools are closed
- Providing distance learning options for career pathways program participants
- Providing childcare for parents whose employment is critical, including first responders
- Deploying strategies to engage clients during agency closures
- Large system supports that could include improving food distribution systems, supporting schools/districts with kids/youth for mentoring and connection, or expanding meal delivery services for seniors and home-bound populations
